BIG TOM SPICED TOMATO MIX

Gluten free, vegan and lactose free

Big Tom is a wonderful twist on a traditional tomato juice. Delicately blended with herbs and spices, we've taken the lonely tomato juice and created a spectacular fusion with mustard, celery, cloves, pepper, chilli, ginger and more. Serve chilled for the perfect party drink, pair with beef, cook with chicken, drizzle on salad... sip in front of the fire or blow up the lilo and pop a brolly in! Big Tom is the ultimate spiced tomato mix and the perfect drink for every occasion.

The GUTsy Captain Kombucha contains **healthy living bacteria**

THE GUTsy

CAPTAIN KOMBUCHA

Kombucha, originally from China, has been known for centuries as the immortal health elixir.

We proudly follow the original Chinese recipe: we use high quality, natural ingredients – green tea fermented with organic sugar – and our own culture of live bacteria and yeast (SCOBY). That's how we get authentic, 100% Kombucha, with a great taste.

Pure and yet delicious. Ancient and yet unique. Bubbly and yet fresh tasting. You can also enjoy a zero version with zero calories.

RECOVERY

HYDRATION IS NOT JUST ABOUT WATER

Sweat takes away essential electrolytes that water can't replace. Without them, your muscles tire faster, your focus slips, and recovery slows down.

WHY WATER ISN'T ENOUGH

Water quenches thirst, but it doesn't restore balance. When you sweat, you lose sodium, potassium, magnesium, and calcium — minerals that are vital for energy, muscle function and mental sharpness.
