BIG TOM SPICED TOMATO MIX

Gluten free, vegan and lactose free

Big Tom is a wonderful twist on a traditional tomato juice. Delicately blended with herbs and spices, we've taken the lonely tomato juice and created a spectacular fusion with mustard, celery, cloves, pepper, chilli, ginger and more. Serve chilled for the perfect party drink, pair with beef, cook with chicken, drizzle on salad... sip in front of the fire or blow up the lilo and pop a brolly in! Big Tom is the ultimate spiced tomato mix and the perfect drink for every occasion.

A water created **by nature**

Solán de Cabras accompanies you in **all the moments of your daily life**

Solán de Cabras

A natural mineral water with a low mineral content. The optimal calcium-magnesium ratio and the low sodium content of its composition makes Solán de Cabras renowned for being one of the most healthy, balanced and stable mineral waters available. Since the first analysis conducted by Dr Forner, in 1787, there has been no significant change.

The GUTsy
Captain Kombucha
contains healthy
living bacteria

THE GUTsy CAPTAIN KOMBUCHA

Kombucha, originally from China, has been known for centuries as the immortal health elixir.

We proudly follow the original Chinese recipe: we use high quality, natural ingredients – green tea fermented with organic sugar – and our own culture of live bacteria and yeast (SCOBY). That's how we get authentic, 100% Kombucha, with a great taste.

Pure and yet delicious. Ancient and yet unique. Bubbly and yet fresh tasting. You can also enjoy a zero version with zero calories.

ELECTROLYTE

HYDRATES MORE THAN WATER

met een ideale mix van natrium, kalium, magnesium en calcium

TRAINING HARD?

PUSHING THROUGH
A HEATWAVE?

BOUNCING BACK AFTER
A BIG NIGHT?

**HYDRATION IS NOT
JUST ABOUT WATER**

Sweat takes away essential electrolytes that water can't replace. Without them, your muscles tire faster, your focus slips, and recovery slows down.

**WHY WATER
ISN'T ENOUGH**

Water quenches thirst, but it doesn't restore balance. When you sweat, you lose sodium, potassium, magnesium, and calcium — minerals that are vital for energy, muscle function and mental sharpness.
